This authentic English Home is full of options to give you and your family the right amount of space. The first floor offers you 9' ceilings, a generous kitchen with lots of storage and a separate pantry. You will find the combined dining and living rooms perfect for entertaining. Or you may choose to enjoy your family and friends out on your deck. Upstairs you will find a luxury master suite with walk-in closet. And if more space is needed, choose the optional basement. Another bedroom, bath and large leisure space of your choice is waiting to meet your needs.
